

## Children comments from May 2022 Arts Week

I enjoyed the sewing as we got to design and sew cushions and the clay

I enjoyed the skills I learned when using Clay, sewing cushions and the peg rug.

The skills I learned were how to use the sewing machine

I loved making the wire crowns

I enjoyed everything

I learned how to sew beads onto the cushion

I enjoyed making the peg rug and the collage

The acrylic paint was hard at first but I understood it at the end

I learned how to use a sewing machine and I was good at it.

I found the threading difficult but I can do it now.

I learned how to twist and share the wire

I enjoyed the sewing as it gave me a challenge and I didn't give up.

I got better at sewing

I developed my painting skills, especially using water colours

I loved the baking and was happy with my watercolour painting as it looked professional

I enjoyed working with the artist

I found painting on the shed ( my Banksy)

I learned how to be patient with my art

I learned how to use my brush gently

I enjoyed making all kinds of exotic foods

I enjoyed working with the artists and drawing with the specialist fineliner pens

I enjoyed the freedom to be creative
