

Date: 8th February 2017

Dear School,

CHORLEY GRAND PRIX SCHOOLS ART PROJECT

The Chorley Grand Prix is back for 2017 and we would love for your school to be involved. Last year we had several unique ideas from the schools that took part ranging from recycling old bikes and materials to decorated bikes that were collected and put out on the Grand Prix race route.

This year, we are looking for more schools to get involved.

What do you need to do?

You need to select 2 choices – the group and the project.

The Group

- ✚ Any year group
- ✚ An after school club
- ✚ The school council
- ✚ A mixed ability group

The Project

- ✚ A canvas/banner relating to cycling
- ✚ Re-use an old bike for yarn bombing
- ✚ Re-use old bike parts to create something unique
- ✚ Re-use objects to create something linked to cycling
- ✚ Playground chalk drawings for an overhead view
- ✚ OR something completely different as long as it is cycling related

This year, pictures of the projects will be put on a display board in the cycle village on Saturday 15th April, allowing the public and all members of your school to come and vote their favourite. The winner will be announced on Wednesday 19th April, where they will receive a full day of sporting activities as part of their health week later this year.

If you want your school to get involved, please get in touch ASAP.

I look forward to your reply!

Yours sincerely,

H. Jackson
