

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
See previous document containing update for 2022 2023		
<p>At Bretherton Endowed CE Primary School, we believe PE and Sport plays an important role in making our vision statement - To learn, grow and achieve to flourish in God's love a reality for every pupil, with the potential to change young people's lives for the better. We have welcomed the Government's announcement in June 2021, confirming that schools in England will benefit from a further £320 million from the PE and Sport Premium during the academic year 2023-2024.</p> <p>This so schools can continue to prioritise children's physical wellbeing alongside education recovery, to help children get an active start in life in supporting primary schools to improve the quality of their PE and sport provision so that pupils experience the benefits of regular exercise – from becoming healthier both mentally and physically to improved behaviour and better academic achievement. The confirmation of the investment into primary schools for PE, sport, activity and play has never been more needed, given the potential disruption to children's activity levels during lockdown.</p> <p>How we are using it at Bretherton Endowed</p> <p>Our commitment to providing children with high quality competition access and pupils involved in leadership activities was recognised with the School Games National Platinum Award after external validation at the end of summer 2022. This has been sustained for the last two years, for continuing to give passionate and talented children the opportunity to participate in competitive sport, but also for the physical activity, mental and physical wellbeing activities and opportunities we have provided each of the children across the school. The Platinum Award is the highest of those given out by National School Games and is for a school's contribution and commitment in providing physical activity opportunities for all. We are extremely proud of our pupils for their dedication to all aspects of physical activity and school sport, whether this be running the daily mile (Bretherton Blast) , taking part in iMoves/ Dance moves or Funky Fridays, playing table tennis at lunchtime, competing during sports day or during a football or netball match. Additionally, Bretherton Endowed is striving to be a Healthy School which is committed to delivering high quality and consistently good PE</p>		

provision to all our children which enables our children to improve their health, fitness, welfare and wellbeing, their understanding of sport, teamwork and citizenship. We promote an inclusive ethos where all pupils enjoy participating in sport; empowering them to become the best they can be.

One of the many ways we have used the sports funding at Bretherton Endowed has been to update our resources for physical education lessons. Ensuring that the equipment is accessible for all children in the school means that they are able to develop their skills in each area of the curriculum.

Bretherton Endowed continues to be part of the West Lancs Sports Partnership (CSSP) which provides advice and quality training for teachers and opportunities for pupils to participate in inter-school sports competitions during the last two years and we hope to participate in external competitions (a wide range) during this academic year, as we have in previous years and been very successful at. We also hire coaches throughout the year from the Gold Academy, Tarleton, Dance teachers and our TA's who accompany children to matches within the local leagues and cup matches. We will continue to broaden the level of activity within the school through sport clubs, Active IMoves and the Daily Mile, which will have a long-lasting impact on the health and fitness and wellbeing of every child in the school.

We are fortunate to go swimming with the clear impact of raising attainment in swimming to meet requirements of the National Curriculum before the end of Key Stage 2.

Cover for our PE Leaders will be used to allow monitoring of PE and Games – how it is being delivered and assessed across the school as well as auditing the equipment and ensuring it is kept up to date. This alongside of identifying how the teaching of PE can be developed. We will continue to ensure our children have access to different sporting opportunities including competitions and festivals. To promote the importance of a healthy active lifestyle children we will continue take part in inter school sport events including tournaments, sports days, sports relief days and sports challenges.

At Bretherton Endowed, we have developed a plan to ensure this funding is invested to maximise the long term impact of our PE provision for pupils and staff. The impact of these initiatives is monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc. The following factors are taken into account:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The growth in the range of traditional and alternative sporting activities
3. The increase and success in competitive school sports
4. How much more inclusive the physical education curriculum has become
5. The improvement in partnership work on physical education with other schools and local partners
6. Greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

Sustainability: to build capacity and capability within our school to ensure improvements made now will benefit pupils joining the school in future years, we will extend the resources available within PE lessons and the confidence of class teachers and support staff to ensure that learning within PE and games is consistently improving and that the improvements are sustainable. For example, in 2020, we bought a MUGA and in 2022 a running track with improvements to our outside gym equipment planned in 2024. This investment overtime will impact on our children's knowledge of fitness, increase their fitness levels, and consolidate their understanding of a healthy active lifestyle. We access Succeedin, through WLSF scheme of work which is an online forum of lesson plans and schemes of work that have been written with careful consideration of the aims of the National Curriculum, to ensure that children are given a wealth of opportunities to develop their physical skills as well as developing the whole child and their knowledge. Each lesson plan has progressive activities that are designed to inspire and engage allowing pupils to explore and develop skills and embed knowledge. We will continue to broaden the level of activity within the school through the Daily Mile, Funky Fridays and extra sport clubs which will have a long lasting impact on the health and fitness of every child in the school. Our connection with CSSP will continue to develop teacher understanding of fully inclusive PE lessons and through shared resources this connection is beneficial long term.

Overall priorities identified from 2022 2023 end of year

- Sports leadership and writing
- Active lessons in school curriculum
- Maintain competition in light of changes in school games initiative moving to festival events
- whole school trips to sporting events or offer to families as school trip linked to inspiring
- Continue with relationship with Dave Ryding(olympic athlete) to come into school and work with children on mindset (continued from assembly and visit in July) to fitness training.
- Celebrate previous children of Bretherton who are now in GB your team (JG Triathalon and running AG)
- Pursue idea of promoting junior iron man (lytham – to look into possibility)
- Governor report to continue to evaluate impact to triangulate effectiveness of decisions
- Resume pE floor books.or virtual ones through 365 shared area or platform such as seesaw
- review swimming opportunity at Hutton pool and using their minibus for costs
- Pursue talent spotting and directing parents to grass roots (eg RF in gymnastics)

<https://www.afpe.org.uk/physical-education/recording-important-primary-pe-and-sport-premium-update/>

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport

2. Engagement of all pupils in regular physical activity

3. The profile of PE and sport is raised across the school as a tool for whole school improvement

4. Broader experience of a range of sports and activities offered to all pupils

5. Increased participation in competitive sport

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p><i>To plan a suite of activities at lunchtime to develop active lunchtimes</i></p> <p><i>Increased knowledge and CPD for staff on use of inside Gym equipment in hall</i></p> <p><i>To be able to offer forest school activities through level 3 forest school training to promote outdoor activities and wellbeing</i> T: 01772 872017 E: eduadmin@lancswt.org.uk</p>	<p><i>Lunchtime supervisors / teaching staff, coaches - as they need to lead the activity</i></p> <p><i>pupils – as they will take part</i></p> <p><i>Teaching staff confidence for lessons and after school clubs</i></p> <p><i>Children – in participation</i></p>	<p><i>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</i></p> <p><i>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</i></p> <p>2) The engagement of all pupils in regular physical activity – recommendation that primary school children undertake at least 30 minutes of physical activity a day in school</p>	<p><i>More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.</i></p> <p><i>WLSP CPD session with staff so that they feel confident and access the resources more for effective PE and sports for inside Gym</i></p> <p><i>Staff to be trained and facilitate sessions within school for children to promote wellbeing and nature</i></p>	<p><i>£300 for training of welfare staff to run lunchtime sessions</i></p> <p><i>CPD cost part of WLSP SLA agreement</i></p> <p><i>Level 3 £875</i> <i>Level 2 assistant £450</i></p>

<p>2 x 1 hour PE Sessions (from GetSet) each week for all children in school</p> <p>To support children's physical and mental well-being, improved levels of concentration as well as physical fitness.</p> <p>All children encouraged to increase their fitness through internal house festivals (Level 1).</p> <ul style="list-style-type: none"> • Children engaged in high quality play/regular activity throughout lunchtime break to increase: mental wellbeing, pupil aerobic activity, team building and communication; balance, co-ordination and core strength; skill, tactic and to encourage pupils to independently design and build. • Provision of before/after school sporting clubs for children 	<p>Children benefit from a progressive scheme of work, written with careful consideration of the aims of the National Curriculum, to ensure a wealth of opportunities to develop physical skills as well as developing the whole child. Further CPD from CSSP to broaden subject knowledge of PE and sport teaching.</p> <ul style="list-style-type: none"> • Purchase of essential equipment and resources to enable a wide variety of sports to be taught effectively • Wake up-shake up, active blasts, the Daily Mile, Funky Fridays support children's physical and mental well being, enabling short breaks throughout the day. • Research into a trim trail • Inter-house sporting tournaments/competitions throughout the year, for all children, ie: football, cricket, rounders, cross country, tag rugby, athletics and timetabled in the school diary for frequency and coverage etc. • Year groups engaged in daily physical activity on the field/playground for approx' 50 minutes a day. • Purchase of two basketball nets • Play time and lunch time staff to have support/training to lead 	<p>2) The engagement of all pupils in regular physical activity – recommendation that primary school children undertake at least 30 minutes of physical activity a day in school</p>	<p>*CSSP and scheme enables teachers to feel confident in teaching PE- inspiring those who inspire the children is key to successful PE. Increasing CPD opportunities focussing on a variety of areas to continue to develop quality PE lessons.</p> <p>*£700.15 spent on a variety of PE equipment.</p> <p>*Children take part in Daily Mile at least 2x a week, have route to follow on the track.</p> <p>Funky Fridays is a fun and active dance session at lunchtimes for all children and staff (20 mins)</p> <p>iMoves gives children active breaks in/ between lessons to increase physical activity.</p> <p>Termly internal house comps to be organised where all children encouraged to be the best they can be.</p> <ul style="list-style-type: none"> • Sports day for EYFS/KS1 and KS2. Impact – development of social skills positive relationship building for life. Demonstration of leadership, teamwork and communication skills. • Children participate in house teams - promote a 	<p>Enable staff to be able to offer and teach a wide range of sport within PE sessions with improved confidence. To build on year on year.</p> <p>*PE lead to monitor impact of iMoves sessions and PE/Games lessons across the school – complete staff and pupil voice for iMoves and GetSet.</p>
---	---	--	--	--

	<p>engagement. External training for our new Sports Leaders and mid-day supervisor training where necessary.</p> <ul style="list-style-type: none"> • Wide variety of after school clubs, catering for different sporting interests: gymnastics, football, dance, multi-sports, netball, and for children from EYFS – Year 6. 		<p>termly house competition where the children are encouraged to ‘beat their best’.</p> <ul style="list-style-type: none"> • New sports equipment purchased, with impact of increased participation in lessons and improvement of skills, as more children have equipment that is fit for purpose. • Increased confidence for children of all year groups. Pleased that netball club started this academic year for children in Y4-6 	
<p><i>To develop the role of sports leader through the national sports leader platform to develop individuals and indirectly writing for purpose within school</i></p> <p>To encourage pupils to take on leadership roles that support sport and physical activity within The Hayes Primary School (Pupil Advocates).</p> <ul style="list-style-type: none"> • To embed physical activity into the school day through active travel to and from school, active break times and active lessons and teaching • Ensure all children are aware of the importance of a healthy lifestyle, including both diet and regular exercise. 	<p><i>Group of children and whole school when children cascade learning</i></p> <ul style="list-style-type: none"> • Sports Leader Pupil Advocates external and internal training for our new leaders and mid-day supervisor training. CSSP/SLT to train. • All classes to use Imoves to engage children in active breaks in or between lessons to increase regular physical activity • Introduce a healthy eating week – booked for June 2023. With focus on dangers of obesity, smoking and other such activities that undermine pupils’ • Results and photos to be celebrated/displayed/promoted via bulletin and newsletters and via Twitter. • School participation at external sporting competitions. 		<p><i>Staff member training in 23 24 and children as role models. Lead into year 5 training for future years to offer more sustainability</i></p> <p>*Autumn term – children interviewed and doing a fabulous job!</p> <ul style="list-style-type: none"> • Children take part in regular active blast breaks throughout the day - opportunity to move more during class time. • Children wear PE kit to school to maximise time spent in PE lessons. • Children representing the school in at London Schools Games competition. • Positive relationship building for life. <p>Demonstration of leadership, teamwork and</p>	<p><i>£110 for professional pupil leadership and staff member additional hours @£500</i></p> <p>New PAs receive training in autumn term, with CSSP.</p> <ul style="list-style-type: none"> • PE leads to monitor and measure impact use of Imoves through pupil and staff voice questionnaires • Internal board in lieu of current situation, achievements will be internal, for example: House Competitions, weekly personal challenges. • To ensure children are prepared to participate in any sporting event (ie: trained to compete in the high jump, trained to swim in a

<ul style="list-style-type: none">• Pupils, staff and parents are aware of sporting activities and achievements across the school.			communication skills, alongside facing new challenges. Increase in confidence.	comp').

<i>Total Costs</i>	Approx. £ 10500
<p>Celebrate previous children of Bretherton who are now in GB your team (JG Triathlon and running AG)</p> <ul style="list-style-type: none">- review swimming opportunity at Hutton pool and using their minibus for costs	

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>%</p>	<p><i>Use this text box to give further context behind the percentage.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
