Dear Parents

GUITAR LESSONS

Autumn 2018

Further to our successful Guitar lessons provision that commenced in Autumn 2017, we are looking at continuing this provision for the next academic year. Therefore we would be grateful if you could complete the form below indicating if you will be continuing with the sessions in Autumn. Depending on the response we would possibly be able to offer the normal £6.50 per session at a reduced rate. This will only be apparent once all replies from existing pupils has been received.

To ensure that we have enough children to make the sessions viable, could you please complete the tear off slip below before **Friday 25th May 2018** and return this to school.

We do not require any payment now as we will forward all the information once we have collated the names of interested families. Thank you for your input and I hope that by providing these first class musical opportunities, our children are enriched.

Thank you for your support of our enriched music provision and I am confident that your child will continue to enjoy the sessions as learning an instrument is a great life skill and also great fun!

If you have any questions, please do not hesitate to contact me on 01772 600431
