*“Learning together, growing together, achieving together, caring together  
within our Christian family”*

Dear parents,

As you are aware ‘The Ark’ has given us notice to leave before and after school clubs at the end of term. In order to ensure that whatever provision is put in place in September fulfils the needs of our families, we need ascertain more information from you as to how you may use the provision in the future. We would really appreciate it if each family could complete the form below to show us what sessions you would require from September on a permanent basis and it would be helpful if you could give us an indication if you would need flexible places ( places used on an ad hoc basis). We understand you cannot commit to the day on flexible places but would ask you to indicate on average how many additional sessions you may need in a week on average.

If you have already indicated to the ‘Ark’ that you would like permanent places for September, this form will not be used to change this arrangement, just help to design the provision needed.

Please complete the information below and return back to school by **Friday 22<sup>nd</sup> June**. We understand that your circumstances may change but this would give us an indication of the provision needed from September.

We have left a comments box at the bottom should you wish to provide any additional information that will help us get the provision right for you.

We will inform you of the provision that will be in place as soon as possible but would like to reassure you that there will be a smooth transition in the Autumn term.

Kind regards

Alison Moxham
