*“Learning together, growing together, achieving together, caring together
within our Christian family”*

Dear Parents,

Last year, as staff, we began to look at what ‘Bretherton Endowed CE Primary School’ means to us and what our key priorities were looking into the future. One of the areas we began to consider was whether our mission statement (above) and our values were still representing who we are or whether we needed to look at the words chosen. Through staff meetings, a governor conference and parent forum we all felt that although really powerful, it would be a good idea to look at what those words mean to us, what does ‘growing’, ‘achieving’ and ‘caring’ together mean and could all those aspects be seen in our day to day life.

So we have embarked on a timetable of events over this year to determine this and so would like to invite you to be part of the process. We have set up a Vision and Values committee led by Rev Michael (Governor) with the support of the Diocese in the form of Mrs Daphne Durham, staff members and we are looking to invite parents who would like to be part of this process to join too. All families and friends will be part of the consultation process but initially I would like to invite parents to join the committee so that they can be part of mapping our Christian distinctiveness of the future.

The first meeting will be held on Thursday 27th September at 2.00 in The Wilson Suite and in order to plan the session, I would be grateful if you could indicate on the tear off slip below if you are able to attend. The meeting will last approximately an hour and will be finished before the end of the school day.

We really do value parent’s views and in this important process, they are essential. If you have any questions regarding the session, please do not hesitate to contact me. I look forward to seeing you there.

Best wishes,

Alison Moxham
Head Teacher
