

# TARLETON LIBRARY

## **Saturday Lego Club**

This runs every Saturday morning, 10-12 where children can create their own masterpieces with our Lego in the library

## **Code Club**

We are launching our Code Club this Saturday (17<sup>th</sup> November) 10-11, where children aged 7 and above (but everyone is welcome to join in including adults!) can come along and learn how to code

Every session we'll have a go at different coding projects: creating games, music, and animations.

So whether you're a beginner or a real whizz come and join us for a fun-packed morning of digital making and code.

If anyone is interested then they will need to book a place with us at Tarleton Library

## **Family Reading Group – Sharing Stories**

We are also starting a monthly family reading group, where families can join us for 30 minutes to share the reading of a different story each month.

This is an opportunity for all the family to take part in storytelling. Looking at creative and interactive ways of learning through sharing stories which will be fun not only for children but adults too. It will take place on the following dates:

<b>Date</b>	<b>Book being read</b>
Tuesday 27 November	The Nutcracker
Thursday 27 December	The Wishing Chair
Tuesday 29 January	The Infinite Lives of Maisie Day
Tuesday 26 February	Treasure Island
Tuesday 26 March	The Magic Finger
