

# PRE-LOVED UNIFORM

BREThERTON ENDOWED PRIMARY SCHOOL

To create our second hand uniform store we welcome donations of the school uniform that your child has grown out of.

Our aim is to enable parents to acquire and reuse good quality school uniform, as well as ensure we are making a positive contribution to our environment in finding an eco friendly way of discarding unwanted clothes with lots of life left in them.

Items we would appreciate: Logo jumpers / cardigans, skirts, trousers, dress, summer dress, shorts, coats, PE T-shirt, and good quality PE trainers.

Items can be sent into school via your child or left in the collection bin to the left of the hall doors.

We really appreciate your help and hope you take full advantage of this service.
