Our new Infant Toilets

Over the half term holidays, we organised a refurbishment of the key stage 1 boys toilets. This was long overdue and we are pleased that it should be completed this Friday. This coupled with new flooring and paintwork in the infant key stage 1 girls toilet and adult toilets is a great improvement.

Your opinion matters!

Parent questionnaires have been sent out this week to Reception parents to see if we can learn anything from your experience of transition from nursery to primary school and life in reception class. We really value your feedback and opinion on the questionnaire but if there is ever anything you would like to come in to discuss, please know my door is always open. This also applied to all families, we want to get it right.
