21st June 2019

INFORMATION FOR PARENTS

Thank you to everyone who joined us at our Sports Day on Friday and Summer Fair. It was a great day and the sunshine came out for us all. Well Done to our children and team 'Yarrow' who were triumphant. It was lovely to see perseverance, support and teamwork. Thanks again to staff and in particular Mrs Brindle for her brilliant organisation.

Welcome Home Oscar

after your stay in hospital. It is great to see you back in Bretherton and we can't wait for you to come back to school.

The HUB

We are nearly reaching the end of 12 months offering The HUB as part of Bretherton school. We hope that you find the provision useful and that it continues to meet the needs of our families. I will be asking you to complete a quick online survey in the next couple of weeks to ensure that The HUB next year is offering the times and flexibility that you require. This will be available on our school website, log in and complete or if you have a smart phone with the school spider app, this will come as a notification. If you have any specific requests or feedback, please feel free to contact me directly.

School End of Year Reports and SATs Results

After working hard, our staff are completing your child's end of year reports and they will be coming out on 10th July. We would be grateful if you could complete the feedback form that accompanies the report as it helps provide valuable feedback to our teachers and school.

Moving Up Day

Our children will move up into their new classes on July 11th for a full day. During this day, they will get to know their teacher, look at pupil voice groups applications such as Ethos, School Council and Eco. We are excited to walk with your children on this journey through school and we are certain that they are excited to find out about the structure for next year, however if your child has any concerns or worries, please do not hesitate to contact their class teacher.

Careers Week

Huge thank you to all our parents for their time and support within Careers Week. Our children were 'buzzing' with information about the different careers and it gave a huge boost to our Enterprise Event this week. We hope that you will enjoy coming to our 'Market Place' this Friday at 2.30pm. Please remember to bring some money as you won't be able to resist their products.

We will also be selling the last few pet food bags (donated by GA Foods), tea towels and some flowers donated from Glenroyde Nurseries.

PTFA Update

Thank you to everyone who came and supported the Summer Fair last Friday. We hope you all had a great time! If you have any feedback on the event, anything you really enjoyed or something you would like to see in the future please leave your comments on the PTFA Facebook page.

Also, a huge thank you to everyone who contributed to the Fair with cakes, donations, resources and time. We could not run these events without your generous contributions and the time and support of our volunteers, your help is greatly appreciated! The Leavers' Disco (Juniors Only) is the last of the PTFA events planned for this year, we thank you for your continued support throughout this year and look forward to planning some great fundraising events for you to enjoy next year!

Lottery Awards for All

We have received great news that we have been awarded £10,000 from the national lottery grant towards a games area on our field. As soon as we get some plans, we will share them with you but this will be brilliant for children over winter when the field is unavailable due to the weather.

Parking for school events

Please could we remind you to take extra care parking when attending school events. We want to see you and your vehicle safe when you visit us.

School Uniform

Please can you check your child's uniform when washing them this weekend to ensure that they are labelled and that their name is within as we have a high volume of cardigans missing whilst a high number of them are also in our lost property unnamed. They are so expensive, we really want to get them back to the right people. We will be holding a donated uniform stall at our enterprise shop on Friday. Happy for you to take ones that will be of use - if you would like to make a token donation, that would be great, otherwise just using them again is super too.

Food Donations

Year 6 are collecting dried food, tins and toiletries for their visit and work at the Southport Food Bank and would be grateful if you feel you could help support this by making a donation. They are a worthwhile charity and we are proud of Year 6 and their desire to support it. All donations can be handed in and placed in the Year 6 classroom where there is a box. Please see attached letter for full details.
