

Hi

We have secured further funding allowing us to coordinate extra Bikeability Level 3 and Bikeability Transitional training. There are 4 venues around the county hosting these 1 day courses.

The sessions will be suitable for any cyclist but especially useful if you plan to or already cycle to school (primary or high) possibly necessitating some complex routes. These sessions will be a progression from Level 2 training and will incorporate route planning to your local high school.

Year 6 only pupils who have completed Bikeability Level 2 training this academic year are invited to get in touch Go Velo via their Facebook or visit <https://www.eventbrite.co.uk/o/go-velo-ltd-17122994769> to book on.

[Go Velo Ltd Events | Eventbrite](#)

www.eventbrite.co.uk

Go Velo Ltd is using Eventbrite to organize 4 upcoming events. Check out Go Velo Ltd's events, learn more, or contact this organizer.

If they have any slightly older siblings who have also completed L2 training but have already moved on to high school they're also welcome.

Please feel free to promote this around the Year 6 classroom and it would be great if you could include it in your school Newsletter, paper or electronic.

If you have any questions please feel free to contact me.

There is no charge for these sessions.

Thank you and have a lovely summer, nearly there!

Jan
